

Dr Patrick Brogan Bsc BVSc MANZCVSc MSc DACT (Specialist in Equine Reproduction)

Patrick Brogan graduated from the University of Sydney in 2005 and worked for 4 years in specialised Equine practice in Scone, Australia. In 2009, he made the move to Murdoch University in Perth, Western Australia to undertake a Research Masters in Equine reproduction and started an Equine Reproduction Referral service there. In 2010 he passed examinations in Animal Reproduction to become a member of the Australian college. In March 2012 Patrick arrived in the Netherlands to commence a residency at the University Of Utrecht and in 2015 passed examinations to become a Diplomate of the American College of Theriogenology. Applied clinical research in semen storage and embryo transfer has formed the basis of his work to date. He has recently become a member of the KWPN and bred his first foals in 2015. He plans to stay in Netherlands for now and is starting his own business and specialist reproduction service in 2016.
